Dear Parents,

Panther Pals preschool is open to 3 to 5 year olds that are fully potty trained. Spaces are limited so please complete this form and send it back as soon as possible. The preschool is designed to be a laboratory-learning situation for the Child Development II students. They are learning how to plan activities and teach preschool aged children. The student ratio is excellent as it is usually 1 to 1. Preschool typically starts the Monday after Spring Break and ends the week before the last week of school. Upon approval of this application we will send you an enrollment packet via Email with forms that must be completed and returned to us prior to March 1st or your child's spot may be forfeited.
