2024 - 2025

Please review the High School
Course Description guide carefully.
Counselors and teachers can
provide you with instructions and
guidance with picking courses.
However, it is you and your
parent(s)/guardian(s) responsibility
to plan which courses best fit your
needs in relation to your ability and
future goals.

Mathematics

The Math Department of the Mehlville School District realizes that each student learns in his or her own, unique way. Therefore, a crossover curriculum has been established that allows a student to move from one level to another. Placement based on the student's educational needs will be determined after consultation and consensus by interested parties (the student, parents, teacher, and counselor).

Do not overwhelm yourself by signing up for too many Honors, AP, and/or Dual Credit Courses. Prioritize these courses according to your career path. (See list of all AP/Dual courses in the Planning Guide.)

TIPS FOR COURSE SELECTION

- Do not <u>under</u> challenge yourself. Take courses that will help you increase your intellect and prepare you for life after high school.
- Remember that Colleges, the Military, and Employers not only look at your GPA—but also at the courses you have taken.

- Talk with your teachers about courses they recommend for you in their departments
 - SSD & ELD students must also communicate with their case managers.
- Look at your transcript to make sure you are taking the courses you need for graduation. Look to see what courses you have passed, not passed, or didn't receive credit in (NC).
 - Use the MHS Credit Check Worksheet to make sure you are on track for graduation.
- Use your Missouri Connections account Career Assessment Inventories to check into suggested courses in your career path.
- Refer to your <u>ICAP</u> and update it as you select courses.

South Tech/STLCAPS

- Students apply for South Tech admission during October of Sophomore year
- If you are interested in attending South Tech, we highly recommend taking the following classes during sophomore year/fulfilling the graduation requirements for these classes prior to starting at South Tech:
 - PE
 - Fine Arts
 - Health
- Also remember, South Tech looks at your credits, GPA, discipline and attendance as a part of the admission process.
- For more info, visit the South Tech Website

Resources For course Selection

Flex 10

Students in the Flex program drive their own learning through an integrated academic approach. Flex teachers personalize instruction and create different pathways to engage students in self-reflective, independent learning.

Current FLEX 10 offerings:

- World History*
- Probability & Statistics

*Honors level can be achieved in the course

A Day	B Day
1 Flex 2 Flex 3 Band or other elective	5 Flex 6 TAP 7 Science
4 PLTW Course or other elective	8 AP Course or other elective

DO NOT TAKE CLASSES TWICE!!! LET US KNOW -- most classes will not grant credit again (exceptions Band, Strings, Choir & PE courses)!

If you failed a required course(s), you will need to enter that class in your schedule for next year in place of an elective. Pass all your classes this semester!!! If you take and pass these classes during summer school, your alternate classes will be used.

Make sure your primary classes add up to **7 credits!** You will not put in TAP, your TAP class will automatically be put in after schedules are complete.

Teacher Approval Required:

Core Classes

AP/Dual Credit

Bands/Choirs/Strings (after auditions)

Project Lead the Way (PLTW)

SSD & ELD Courses

Electives if signature is required

Examples of Course request forms

Course Request Form 2024-25 for Rising 10th Graders

Dear

You have entered the courses below in SIS for the 2024-25 school year. Our goal is for all students to receive their ideal schedule; however, due to scheduling conflicts this may not be possible. If you are unable to have your first choices, your counselor will refer to your listed alternates in order of preference below. Failure to list alternates will result in placement of whatever courses are available. Please review this form with your parents/guardians & then sign in the designated areas. Your core teachers will also sign next to your core classes indicating approval. Return this completed form to your TAP Teacher on February 26 to have ready for Student Led Conferences on February 28. Attending Student Led Conferences will ensure preferential spots in high demand courses.

Sincerely,

The MHS Counseling Department

Career Goul and/or Potential College Major Music Education

Signing below indicates both the student and parent/guardian have reviewed the student's Individual Career & Academic Plan (ICAP). Signing also indicates agreement with teacher recommendations and certifies the student meets the prerequisites listed for each course in the Career & Course Planning Fulde.

Student Signature: Andler Synchric

Parent/Guardian Signature: Ruset Synchric

Teachers will sign next to courses they recommend. If teachers disagree, they will line through the listed course, write the recommended course number, and then sign. If a student has an IEP or ILP, the student will also need to have the case manager sign at the bottom of the form verifying the courses meet the IEP/ILP expectations. TAP teachers will sign to confirm the courses fill 7 blocks and the semesters have been checked. TAP Teachers will also confirm Student Led Conference participation.
