College Options:

Universities/4-Year Colleges

You should have already applied to your 4-year options but if you have not you need to do so as soon as possible. There are three possible outcomes - Accepted, Denied, and Waitlist. If you are denied or waitlisted, do not give up. There is still time to apply to other colleges which will accept your application.

2-Year Technical Colleges

You should have already applied to your chosen technical college because some of the program spots fill quickly. However, if you have not done go ahead and apply now.

2-Year Community Colleges

Apply now to any community colleges you are interested in. Community colleges will accept applications ongoing, however the earlier you apply the sooner you can move on to the next steps.

STLCC Upcoming Events at MHS:

Application Event

If you are interested in applying to St. Louis Community College and have not already applied, we will be hosting an application event in the Counseling Center on February 10. Advisors from STLCC will be in our Counseling Center to assist seniors fill out the application during TAP. See how to sign up for this event below.

Registration Event

On April 14, the STLCC advisors will return to MHS to assist accepted students in filling out their course schedules for the fall of 2023. If you have already been accepted you can sign up now.

Sign up for the above events

There are a limited number of spots for the above events. Go to your SCOIR account, click on “Me” at the top, then go to “Events & Deadlines” to sign up for one of the time slots.

Use the Search on YouScience

Log into your Scoir Account using Google login and then link to your YouScience Account from the Career section of your profile. Follow the prompts to take career assessments or investigate a variety of careers.

The Places Panthers Go

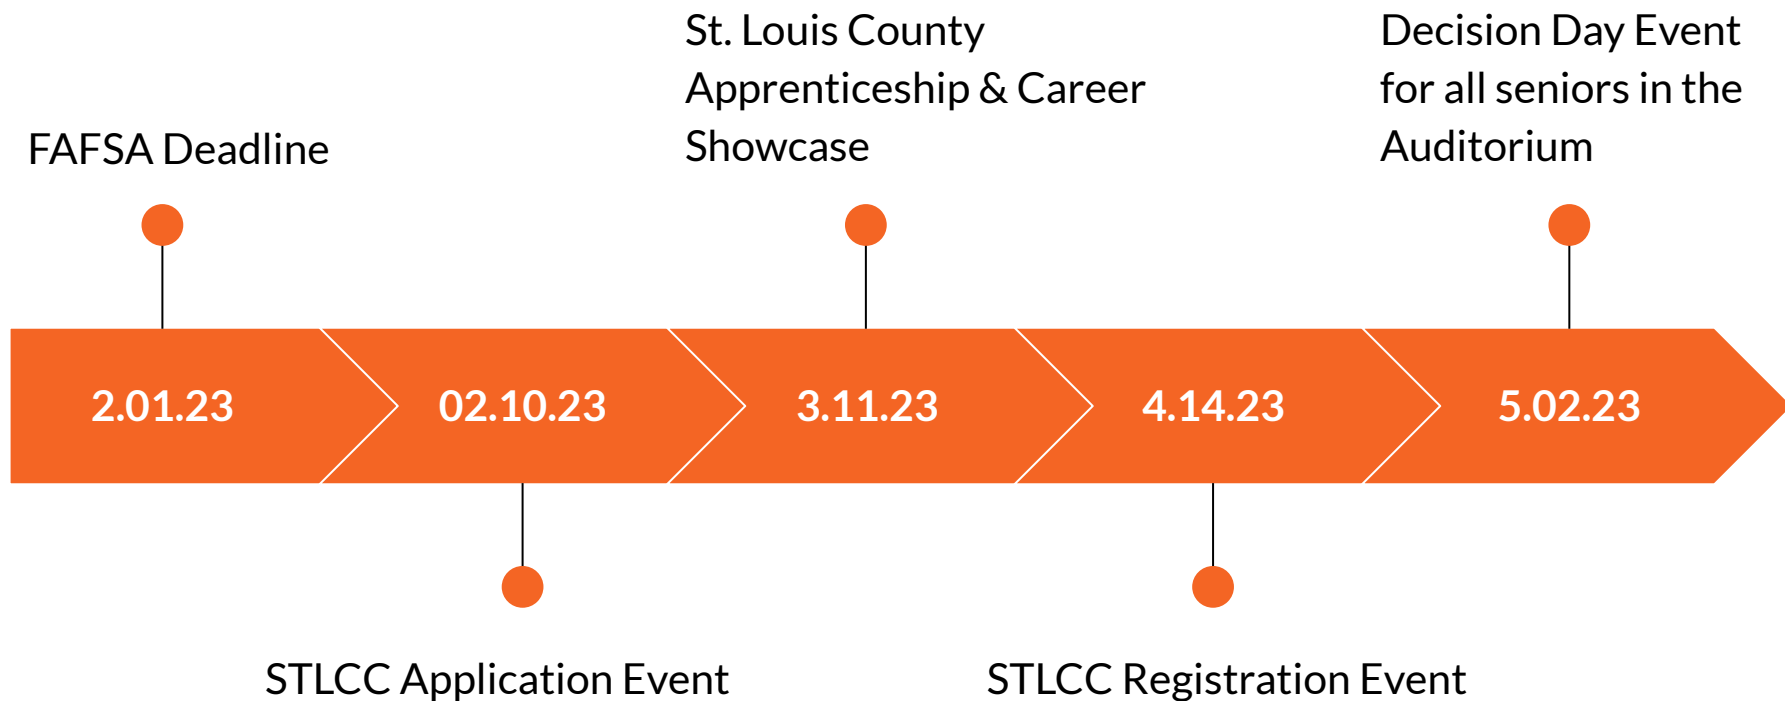

Each year we post pennants for the seniors outside of the Counseling Center for our “The Places Panthers Go” Display. To get your pennant posted on the display, submit all your letters of acceptance from colleges, apprenticeships or military branches to Ms. Auer in the Counseling Center. When you receive acceptance and/or scholarship letters be sure to bring in a copy (or forward the email) of each one. We use this information for our senior awards night and to post your name in the hall.

For those attending college, be sure to review your financial award letters for colleges before making your final choice. Once you have decided, let Ms. Auer know where you plan to go and update your SCOIR accounts by going to the Applied column and marking your chosen college as “Enrolling”. Once the Counseling Office verifies this has been done, your name with your choice will be added to the wall.

Decision Day Event

May 2nd During TAP

The Decision Day event is usually on May 1, but since the B Day that week is on May 2nd we will hold it then. Seniors will report to the auditorium to let their counselors know the specific college or career they have chosen to pursue after high school. While some of you still may be deciding, because this will be a month before graduation, it is a good goal to try to have all of your major research and applications completed by this date. Contact your counselor or Mrs. Neighbors if you need any assistance with your after high school plans.

Reminders

Submit any College, Military, or Apprenticeship acceptance letters/emails as well as scholarship offers to the Counseling Office

- Let the Counseling Office know when you make your final choice.

Check the MHS Counseling Website weekly for upcoming events, scholarships, and job opportunities.

Make your best effort to finish this semester at your full potential. Remember colleges/military/employers will be influenced by your attendance, discipline and GPA.
